DOCKER DESKTOP

container

The screenshot shows the Docker Desktop application window. The top bar is blue with the title 'Docker Desktop' and a search bar. The left sidebar contains navigation links: Containers, Images, Volumes, Dev Environments (BETA), Docker Scout (EARLY ACCESS), Learning Center, and Extensions. The main area is titled 'Containers' and features a search bar and a toggle for 'Only show running containers'. Below this is a table of containers. The table has columns for Name, Image, Status, Port(s), Last started, and Actions. There are four containers listed, all with a status of 'Exited'. The bottom status bar shows system information: RAM 1.66 GB, Disk 55.44 GB avail. of 62.69 GB, Connected to Hub, and version v4.19.0.
